

Registration and Orientation

After registration, moveurope will give you legal advice and orientation

Selection

Upon satisfying the registration criteria, you will be selected by migration_miteinander

Decision on concrete mobility

The right to decide on whether you still want to embark on your journey is in your hands. Get to know your organization (personal encounter, skype, phone)

Solution for the funding of the stay

If you don't have the means of support during your stay in Germany, we suggest you start a fundraising campaign or get help from family members or relatives.

Research a few things about Germany

Before you embark on your life-changing journey, you should at least research about the place, culture and have a clear understanding of the language. migration_miteinander will help you with this process.

Last meeting

You will have a last meeting with migration_miteinander to check if everything is in place before your come.

Germany is waiting for you!

After completing all these steps, you are ready to go!
